

Adventures With Pete the Cat

Our October adventure with Pete was enjoyed by everyone. We danced to *The Cool Cat Boogie* and watched the animated story of ***Pete the Cat: The Five Little Pumpkins***. We learned the fingerplay *The Five Little Pumpkins*, counted our pumpkins and talked about pumpkin shapes, sizes and colors.

In November, we will watch the animated story of ***Pete the Cat: Falling for Autumn***.

Pete will be talking to the kids about Thanksgiving and autumn. Pete finds out that there are many things to love about autumn, but most of all he loves his family and friends.

Looking forward to November's adventure with Pete.
