

*We are ready for take off.....*

The month of March will take us to Europe. Europe is the 2<sup>nd</sup> smallest continent in the world and is made up of 50 countries. There are more than 200 languages spoken in Europe.

We will talk about some very famous landmarks such as the Eiffel Tower and Big Ben.

Some of the most beautiful cities in the world are in Europe.

When we arrive in Europe after our plane ride, we will enter **The Wheel of Europe** game room. We will spin the wheel of Europe to see what country in Europe we will explore.
